# *Reaching Beyond the Stars Gala*

Dear Friends,

The National Kidney Foundation of Indiana, Inc. invites you to partner with us at our Annual Reaching Beyond the Stars Gala on **Saturday, October 21, 2023** at **The Crane Bay Event Center** in Indianapolis. We welcome a new location for an elegant night of celebration!

Join us as we honor two outstanding leaders in their respective fields; **Janes Estes**, *Vice President of PNC Bank* and **Carrie Phillips, MD**, *Professor of Pathology and Laboratory Medicine at IU Health*. These two women have made significant strides in their respective fields that have enabled the NKFI and numerous nephrologists to help Hoosier kidney patients statewide. **You can help us to continue impacting kidney patients in Indiana!**

Please see the enclosed for levels of sponsorship opportunities to help us continue to serve, educate, and celebrate the kidney community!
